OUR GUARANTEE

We guarantee our stock to be true to name and to be in every way just as represented. If it is not we will make satisfactory adjustment. This guarantee shall, however, in no case make us responsible for more than the original invoice value of the stock.

Landscape Architects, Nurserymen, and Large Planters find my stock particularly suited to their requirements. Those who have known me longest are the largest users of my products. Prices reasonable to the extreme, quality considered. Your correspondence is invited and your orders will be given good attention. Send me your list of requirements quickly as possible to insure getting the stock in good time for planting. Prices named include all packing cost and delivery to our station for cash with order.

Trade with us and save money. Prompt and satisfactory service on all orders with guaranteed satisfaction.

SPRING SHIPMENTS are forwarded according to customers' wishes and subject to conditions beyond our control. PLEASE ORDER EARLY.

Our long experience in the nursery business should recommend your careful consideration before buying elsewhere. Satisfaction guaranteed.
